Midsize to large privately or closely-held companies require specialized management liability insurance. Nationwide's expertise helps firms build a comprehensive risk management program that meet these needs in today's constantly changing business environment.

Available coverage

- Directors & Officers and Entity Liability
- Employment Practices Liability
- Fiduciary Liability
- Commercial Crime
- Available coverage may be purchased individually or in any packaged combination
- Coverage available on an admitted basis

Plus: loss control and risk management services

These services are available to all Nationwide insureds with a current Nationwide Private Company 360 Package Policy that provides Employment Practices Liability Insurance.

Freedom 360° HR

Nationwide has teamed up with one of the nation's leading employment and labor law firms, Littler Mendelson P.C., to provide a comprehensive package of risk management products and services carefully designed to help private companies manage their workforce and reduce exposure to employment-related liability.

Employment law hotline

Pre-claim legal advice is available through the Employment Law Hotline, where employers can speak with an employment law attorney from Littler Mendelson P.C. for legal advice on an array of employment-related issues, including wage and hour laws.

HR classroom

Employers will have access to free employment-related online training modules provided by HR Classroom, enabling their employees to access online training programs to satisfy legal training requirements and to promote proper employment relations.

- Certificates of course completions will be printed for all trainees
- Training modules cover key topics including discrimination, harassment, respect, diversity, privacy and ethics in the workplace, employment relations and practices, and wage and hour laws
